The second issue will perhaps

This will be a great help to the institution at the present moment when the financial position of the Madras Corporation, and the Municipalities is a matter under the Govt of Govt.

Nor is this without a precedent. An sum of Rs 2000 was advanced in the year 1917 from the Chennakesava temple to the Sri Chennakesava temple at Nagesa, a palace institution, the interest & liabilities of temple funds in favour of such institutions are very common in the Mysore State, and there are several instances of temple funds being used for other religious purposes, and the objects foreign to the original purpose of the fund

(2) Cannot the interest on the sums borrowed from the Kalasa temple & Govt Krishna Das' charities be waived?

(3) Why should not one teacher & who knows all subjects be appointed to teach the Sanskrit Students instead of having two teachers at two places?

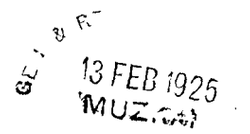
No. C. 1605/24-25 Office of the Muzrai Commissioner in Mysore.

Dated Bangalore, 10th February 1925.

From

K. Chandy, Esquire., B.A.,
Muzrai Commissioner in Mysore,
Bangalore.



To

K. V. Anantaraman, Esquire., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

Adverting to Government Pro.No.3246-48/Muz.369-21-2 dated 4th January 1922 sanctioning a scale of income and expenditure in the Sri Sivaganga Matt, I have the honor to state that a further revision of the scale seems to be highly essential for the following among other reasons viz.,

(a) the income accruing to the matha annually has been over-estimated

(b) the abnormal increase in the payment of Jodi, cesses to Government and Potige to village officers.

(c) the increased provision necessary on account of the Swamys education

& (d) the payment of interest on loans obtained from the funds of the Kalasa temple and Nowl[illegible]shna Doss charities.

Owing to increased expenditure under items b & c without a corresponding rise in the income and to heavily involved condition of the matha, the institution is working with a debit balance and it seems to me that in the interests of the minor Swamigalu the income and the expenditure should be balanced as far as possible and the debit wiped off.

2. The Jodi, cesses etc., payable to Government have risen by leaps and bounds in recent years though there has been no ..... corresponding increase in the income of the villages. The most urgent need therefore seems to be the introduction of resurvey and settlement of such of the Matha inam villages as have not come

come under the resurvey operations. I am in corresponde the Superintendent of Revenue Survey and Settlement and shall su mit the matter for the orders of Government separately.

3. I submit herewith for the approval of Government, a revised scale of expenditure together with an abstrat statement of income based upon the average of previous 10 years. The main features of the present proposals are (a) that they make adequate provision for the education of the Swamigalu; for the payment of the enhanced Jodi, cesses etc and the regular payment of interest on the outstanding debits and (b) that they do not disturb or dislocate the present arrangements.

4. In the proposed scale no provision has been made for the -

Kalasa temple	10500	0	0	liquidation of the loan, as the present financial position of the matha does not admit of such a course being adopted. If the current interest is not allowed to accumulate and weigh heavily upon the institution, ways and means for the repayment of the principal amount may be found as below:-
(Three instalments of Rs.1500/- each with interest have been paid.)				
Nowl Krishna Doss Charities	3650	0	0	

(a) It is presumed that the matha stands to gain an appreciably good amount if the accounts as worked up by the special Duty Officer are admitted and orders of Government passed early.

(b) There is very heavy arrears due from the tenant of the Sanyasihalli village and as the claim of Mr. C.Raghunatha Rao about the tenancy of the village was recently settled by Government, necessary action is being taken to recover the dues.

(c) These large amounts may be ear-marked for wiping off the debit balance now shown against the Institution according to Comptrollers books and for the repayment of the loans referred to above.

4. I solicit early orders of Government in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

Mug 225-24-5

Sir,

With reference to your letter No.1576/M.F.225-24-5 dated 30th April 1925 regarding the revision of the scale of expenditure in the Sri Sivaganga Matha, I have the honor to state that as regards (1) I am in correspondence with the Deputy Commissioners of Bangalore and Tumkur District where the matha properties are situated and also with the Superintendent of Revenue Survey ans shall submit the full report called for by you as soon as replies from them are received.

2. As regards para 2 I have written to the Deputy Commissioner of the Kadur District, reqesting him to ascertain the views of the -- Dharmadarsis of the Kalasa temple in the matter of waiving the claim for interest on the balance of Rs.10500/- still due to the temple. During my visit to Kalasa in May last the question of this loan arose incidentlly and from the views expressed by several of the Dharmadarsis I do not think they will be agreeable to waive the interest.

As no Dharmadarsis have been appointed in connection with the Nowl Krishna Doss charities the Deputy Commissioner of the Mysore District has been requested to furnish his views in the matter.

On hearing from them a further report will be submitted for the orders of Government.

3. As regards para 3 I submit that the matter was referred to the Managing Committee and copies of the marginally noted letter received from the Chairman are here herein enclosed for kind perusal. As

Letter dated 31-5-25 from Mr.D. Venkataramiah,
" 16-6-25 to do.
" 22-6-25 from do.

matters connected with the education of the Swamigalu are of paramount importance, I am of opinion that the two matters viz., (a) teaching staff and (b) the revision of scale may be dealt with separately with a view to expedite disposal of the former.

An expenditure of Rs.66-8-0 a month is now being incurred on account the Pandits establishment and the Committee are urging for the apointment of an additional Pandit to teach Veda to the Swamigalu In the scale of expenditure proposed in this office letter of the 20th April 1925, provision for a sum of Rs.75/- a month had been as per details in the margin.

Pandit & Tutor Rs.37 plus 10 in grade 35-2-55	
Pension contribution	5-0-0
Tarka Pandit	15-0-0
Veda Pandit	8-0-0

I am in full agreement with the views held by Government and think that it will be more satisfactory to have a good and qualified full time Pandit who could teach all the subjects to the Swamigalu and always remain with him; but it is difficult to secure the services of a Pandit who is strong in all the shastras. Mr. Venkataramaiya is on the lookout for a Pandit with requisite qualifications and has been corresponding with the Principal of the Maharajas Sanskrit College, Mysore.

Pending permanent arrangements, I beg to recommend that the proposals made in Resolution 11 of the proceedings of the meeting of the Committee held on 29-5-25 which are to the following effect may be sanctioned, as a tentative measure.

Pandit Thippa Sastry to be reverted to his permanent place in the Veda and Prayoga Patasala.	
Pandit Sankaranarayana Sastry to be pandit and Tutor	45-0-0
Pandit Venkatesha Sastry to continue as Tarka Pandit	15-0-0
Veda Pandit	10-0-0

This arrargement will be not in any way inconvenience the movement of the Swamigalu from Bangalore to Sivaganga and his remaining at the latter place for long periods as Pandit Sankaranarayana Sastry has consented to accompany the Swamigalu to Sivaganga.

As

As it is reported that the studies of the Swamigalu are much --- disturbed at present and as the proposals made by the Committee are -- suitable I solicit the favour of early orders in the matter.

I beg also to recommend that Mr. K.A. Krishnasami Iyer may be appointed as a member of the committee in place of Mr.B.C. Krishna ---- Sastry.

I have the honor to be,

Sir,

Your most obedient servant,

Letter No. dated 31st May 1925 from the Chairman to the Muzrai Commissioner in Mysore.

==========

"With reference to your letter No.1005, dated 13th instant, I have the honor to state that the committee of the Sivaganga Matt met on the 29th instant and discussed the desirability of employing a single full time pandit who would serve as a tutor to the Swamigalu and accompany His Holiness to Sivaganga if so required. While the committee are quite in agreement with the suggestion offered by Government they find it difficult to secure a Pandit who has the ability to teach varied subjects as Kavya, Tarka, and Veda (7panashadic recitation). I am writing to the Principal of the Maharaja's Sanskrit College Mysore to recommend a suitable hand. But pending the choice of such a pandit I would request you to kindly sanction the arrangement proposed by the Committee. Pandit Tippasastri is unwilling to devote more time to the Swamigalu than is absolutely necessary for tuition and has expressed his inability to stay in the matt outside the teaching hours. Pandit Sankaranarayana Sastry who is recommended in his stead will be tried for some time and if found satisfactory will be made permanent. My own opinion is that though a single pandit with the requisite qualifications is secured to serve as a tutor he must have at least one ----- assistant to give him some relief."

"With reference to your letter dated 31st May 1925 in the matter of the appointment of a full time Pandit Tutor to the Swamigalu of the Sri Sivaganga Matha, I request you to be so good as to let me know as to why the services of Pandit Venkatesha Sastry should be continued if Pandit Sankaranarayana Sastry is competent to teach both Sahitya and Tarka as could be seem from the proceedings.- The employment of a single Pandit seems to be highly advantageous and conducive to beneficial -- results.

I request also to be informed whether Mr. K.A.Krishnaswami Iyer has consented to serve on the committee. The favour of an early reply is desired."

D.O. letter dated 22nd June 1925 from Mr. Venkatramiah, Chairman, Sivaganga Matt to the Muzrai Commissioner in Mysore.

"Your D.O. letter No.1005/m.25 dated 15th June 1925.

The main object of recommending the appointment of Pandit Sankara narayana Sastri was to replace Pandit Thippa Sastri with whose work the committee are not satisfied. Pandit Sankaranarayaba Sastri has yet to be tried and it does not seem to be desirable to remove Pandit Venkatesa Sastry just at present when he has been handling Tarka a difficult science, with success.

I would therefore request you to kindly sanction the arrangement suggested as a tentative measure. When a competent tutor is available we can dispense with the services of the present staff

Mr.K.A. Krishnaswami Iyer has given his consent to serve on the Education Committee of the Sivaganga Matt."

Order No. 101 -2/Muz.25-24-7 dated

In ~~the~~ Revenue Secretary's letter No. 1576/Muz.225-24-5 dated 30-4-1925, the Muz. Commr. was informed that instead of having two teachers for the Swamigalu during fixed hours in the day, it would be more satisfactory to engage a good qualified full-time Pandit on a higher pay, if necessary, who could teach all the subjects and always remain with the Swamigalu, acting practically as tutor and guardian during his minority. The Muz. Commr. reports that he is quite in agreement with the Govt. but that it is difficult to secure the services of a Pandit who is strong in all the Shastras, and that the Chairman of the Managing Committee is on the lookout for a competent Pandit with the requisite qualifications. Pending permanent arrangements he recommends sanction to the resolution of the Committee which is to the following effect:-

(1) Pandit Tippa Sastry to be reverted to his permanent appointment in the Veda and Prayoga Patasala.

(2) Pandit Sankaranarayana Sastry to be Pandit and tutor on Rs. 45/-

(3) Pandit Venkatesa Sastry to continue as Tarka teacher on Rs. 15/-

The Muz. Commr. adds that these arrangements will not in any way inconvenience the movement of the Swamigalu from Bangalore to Sivaganga and remaining there for long periods as Pandit Sankaranaraya Sastry has consented to accompany the Swamigalu to Sivaganga. The arrangements recommended by the Muzrai Commr. are sanctioned and may be given effect to at once.

2. The Muz. Commr's. proposal to appoint Mr. K.A. Krishnaswami Iyer, Retired High School Head Master as a Member of the Committee in place of Mr. B.C. Krishna Sastry is also approved.

Order No.

Dated, Bangalore the July 1925

In Revenue Secretary's letter No. 157 Misc. 22-24-5 dated 30th April 1925, the Mzrai Commissioner was informed that instead of having two teachers for the Sanskrit during fixed hours in the day, it would be more satisfactory to engage a good qualified full-time pandit, on a higher pay, if necessary, who could teach all the subjects and always remain with the Swamiyar, acting practically as tutor and guardian during his minority. The Mzrai Commissioner reports that he is quite in agreement with the Government but that it is difficult to secure the services of a pandit who is strong in all the Sastras, and that the Chairman of the Managing Committee is on the lookout for a competent pandit with the requisite qualifications. Pending permanent arrangements, he recommends in addition to the resolution of the Committee dated 4th February 1925 the following changes etc:-

(1) Pandit Tirupathy Sastry to be provisionally appointed pending permanent appointment in the Veda and Agama Patasala.

(2) Pandit Sankaranarayana Sastry to be Pandit and tutor on Rs. 45/-

To Mucr 225-26-7

The Muz. Commr. in Mysore.

Sir,

With reference to your letter No. 1005/24-25 dated 3-7-1925 and in continuation of G.O. No. [illegible] Mucr 225-26-7 dated 7.2. regarding the scale of expenditure of the Sivaganga Mutt, I am directed to request that your further reports as regards the abnormal increase of Jodi, cesses etc. on the Mutt Inam lands and the waiving of interest on the loans obtained from Kalasa temple and Nowl Krishndoss Charities may be expedited.

2. I am to point out, however, that as the interest on loans obtained by the Mutt from the Kalasa temple and Nowl Krishndoss' Charities will not, in all likelihood, be waived by these institutions, it is necessary to have the scale of expenditure revised so as to provide for a further saving of Rs. 500/- or at least Rs. 250/- annually for repayment of these loans by reduction of expenditure on other heads. The repayment of the loans should not be made to depend on the uncertain chance of obtaining a large amount to the Mutt either as the result of the Special Duty Officer's examination of the Mutt accounts or recovery of arrears due in respect of the Sanyasihally village.

I have etc.,

Personal Secretary.
